Awarded a Large Gold at the August 2019 APS Stampshow literature competition in Omaha!

Our Florida Postal History Society has been working on a revision of the *Stampless 1999* book for many years and it is now available. This Smythe-sewn hardbound book contains numerous updates and now adds a census of adhesive stamp and postal entire usage up to the onset of the Civil War as well as many new postmarks and rate markings.

This book is 455 pages and has full color scans of all covers as well as considerable additional research material and is now available for sale at \$85 plus \$10 for shipping in the U.S. mainland.

Act now to secure your copy as we have just 8 in stock, after which they will only be available in the secondary market at a much higher price.

Order your copy now. Send a check payable to the Florida Postal History Society to: Deane R. Briggs, 2000 N. Lake Eloise Drive Winter Haven, FL 33884.
