

Florida Postal History Society

Thank you for your interest in the Florida Postal History Society. We are an APS Affiliate Society No. 227 and have over 100 members. As our society name implies, we are interested in all aspects related to Florida Postal History. We publish three issues of The Florida Postal History Journal per year, which is included in the membership dues. In addition, we hold annual meetings at the Sarasota National Stamp Exhibition each February. We have recently published a comprehensive book on Florida Stampless Postal History, Florida Stampless Postal History 1763-1861. A book on Florida Confederate Postal History and one on Florida Postmaster and County postmarks is in progress. A Florida Doane postmark census is maintained.

Name: _____

Address: _____

Telephone: _____

E-mail: _____

Required for REGULAR membership that receives E-Version of the Journal only.
