FLORIDA COUNTY AND POSTMASTER POSTMARKS

By Deane R. Briggs, M.D.

During the past half century, county and postmaster postmark collecting has become a popular area of specialization within the scope of "Postal History." State postal history societies have been established for nearly all states in this country and many of these societies have published or maintain comprehensive listings and tracings which include county and postmaster postmarks.

This image-rich book documents the 74 known Florida postmarks and includes a listing of the dates of use as well as an updated current census of all known examples.

An example of the book's presentation format is shown below for the Acton, Polk County post office.

Only 50 copies of *Florida County and Postmaster Postmarks* are initially to be made available.

The price is \$20 including postage and can be ordered by contacting the author, Deane R. Briggs, at 236 Lost Trail, Highlands, NC 28741 or by email at deanebriggs@gmail.com.
